**Azionista Man Funds plc
19 aprile 2021**

Is the company intended to set a plan for a complete coal phase out, aiming at reducing to zero the Group's exposure to coal and coal related sector by 2028? Is the company intended to immediately stop lending to, investing in and managing third-party assets of companies that are expanding their business in the coal sector through building new coal plants and mines? Has the company disbursed its lending for the Tuzla 7 coal fired power plant? If not, is it going to withdraw?
