ARTICLE 12

12.1.- Registered Shareholder status is acquired following an acceptance resolution, with an entry in the shareholders' register.

12.2.- For all intents and purposes of these Articles of Association and the Law, each Registered Shareholder, as such, elects domicile at the registered address of the Bank, without prejudice to the right to inform the Bank in writing of a different domicile.

18.3.- If that limit is exceeded and this is ascertained, the Bank shall proceed in accordance with the provisions of the Law in force.

ARTICLE 19

In the event of a Registered Shareholder's death, the relationship with the Bank continues with the heirs of the deceased. Nevertheless, the binding nature on the Bank of the transfer of the shares is dependent on compliance with legal formalities and, for heirs who are not already Registered Shareholders, on obtaining the authorisation contained in paragraph three of article 15 of these Articles of Association. 22.4.- Shareholders' Meetings shall be held in all the cases provided for by law and by these Articles of Association and they are convened by the Management Board, or, pursuant to Art. 151-bis of Legislative Decree No. 58 of 24th February 1998, by the Supervisory Board or by at least two of its members, without prejudice to the other powers to convene provided for by law.

22.6.- Ordinary and Extraordinary Shareholders' Meetings may be convened by Registered Shareholders and shall be held without delay following the presentation of the request, giving the grounds and the agenda; the request must be signed by at least one twentieth of the Registered Shareholders in possession of voting rights on the date of the request.

Notices must also be affixed in the branches of the Bank.

24.2.- A second session of Shareholders' Meetings may be called, with the same notice used to convene the first session, for a subsequent day, but not more than thirty days after the date set for the first session.

24.3.- A Shareholders' Meeting is also validly held when remote connection systems are used that ensure the identification of Registered Shareholders with a legitimate right to participate, the possibility for them to take part in the proceedings of the meetings and to vote on deliberations and, if expressly provided for by the notice of call, the possibility to take part in the discussion of the items dealt with. However, the Chairman and the Secretary must be present in the place indicated in the notice of call where it is considered that the meeting is taking place.

The Management Board, in agreement with the Chairman of the Supervisory Board, identifies, from time to time, the locations connected by means of remote systems for each call, taking account in particular of the composition of the Registered Shareholders.

The Regulations for Shareholders' Meetings establish the criteria and procedures for holding Shareholders' Meetings by means of the use of remote connection systems.

ARTICLE 25

25.1.- Legitimate entitlement to participate in Shareholders' Meetings and to exercise voting rights is certified by a communication to the Bank, performed by the relative intermediary, on the basis of its accounting records, in favour of the party holding the right to vote. In this regard, Registered Shareholders for whom the said communication has been made to the Bank by the end of the third market trading day prior to that set for the Shareholders' Meeting in first call, or by the other time limit set by the legislation and regulations in force, may attend the Shareholders' Meeting, in accordance with the law. The legitimate right to attend and vote nevertheless remains, should the communications be received by the Bank later than the aforementioned time limit, provided they are received before the commencement of the proceedings of each single session of the Shareholders' Meetings.

25.2.- Only persons who have been Registered Shareholders for at least 90 (ninety) days from the date of entry in the Shareholders' Register may attend meetings, exercise voting rights and be eligible for appointment as company officers.

ARTICLE 26

26.1.- A Registered Shareholder is entitled to only one vote no matter how many shares are possessed.

26.2.- A registered shareholder is entitled to be represented by issuing a written proxy to another Registered Shareholder having the right to attend the Shareholders' Meeting.

26.3.- Proxies may not be granted to any members of the management or control bodies, or to employees of the Bank, or to any controlled companies or to any member of the management or control bodies, or employees of the aforesaid controlled companies, or to the firm of statutory auditors appointed or to the person responsible for the statutory audit of the Bank, or to parties to whom one of the other conditions of incompatibility apply according to the law.

26.4.- Without prejudice to the provisions of Article 2372, paragraph 2, of the Italian Civil Code, the proxy may be granted for a single Meeting only, effective also for subsequent calls, but may not be granted without specifying the name of the representative.

26.5.- Each Registered Shareholder may act as a proxy for not more than 5 (five) other registered shareholders.

26.6.- Voting by post is not permitted.

26.7.- Members of the Management Board and similarly members of the Supervisory Board may not vote on resolutions concerning their areas of responsibility

26.8.- The right to vote in the case of a pledge or usufruct on shares may be exercised by Registered Shareholders only.

27.2.- In second call, an Ordinary Shareholders' Meeting shall be validly constituted regardless of the number of Registered Shareholders present, while in the second call an Extraordinary Shareholders' Meeting shall be validly constituted, without prejudice to the provisions of article 28, when at least 1/400 (onefourhundredth) of the members with the right to vote are present either in person or through a representative and proxy.

27.3.- If it is not possible to complete the agenda in one day, the Chairman of the Shareholders' Meeting may decide to continue it but not longer than the seventh following day, informing those present verbally without the need for further notice. In second call a Shareholders' Meeting is constituted and passes resolutions with the same majorities established for the validity of that constitution and resolutions of the Shareholders' Meeting that is being continued.

ARTICLE 28

28.1.- Except as otherwise provided for by these Articles of Association, both ordinary and extraordinary Shareholders' Meetings pass resolutions by an absolute majority of the votes; in the case of a tied vote, the motion is considered rejected. If a Shareholders' Meeting, whether in ordinary or extraordinary session, is called upon to consider a proposal concerning a transaction with related parties, where the committee formed in compliance with Consob Regulation No. 17221 of 12th March 2010 and subsequent amendments has expressed an opinion against the transaction and if the Shareholders' Meeting has approved that proposal with the quorum for resolutions required by these Articles of Association, the conclusion of that transaction shall be forbidden if a number of non-related party shareholders who represent at least 3% of the Registered Shareholders with the right to vote in Shareholders' Meetings is present in the Shareholders' Meeting and the majority of those non-related party shareholders have voted against the transaction.

28.2.- Insofar as Shareholders' Meetings are competent, appointments of company officers must be performed by secret vote in accordance with the procedures set forth in article 45.

28.3.- In any event, without prejudice to mandatory legal provisions the vote in favour even in second call of at least one twentieth of all the Registered Shareholders with voting rights is required for resolutions concerning a change in the company objects, the elimination or closedown of the operational headquarters at Brescia and Bergamo, as provided for and identified in article 3, the early dissolution of the Bank determined by events provided for by law, excluding the case pursuant to number six of Art 2484 of the Italian Civil Code, the repeal or the amendment of articles 23 and 36 of these Articles of Association and/or the introduction of any other provision incompatible with those articles, such as the approval of the amendment or repeal of this clause and/or of the quorum for resolutions provided in it.

28.4.- Again without prejudice to any other mandatory legal provisions, the vote in favour of at least one twentieth of all the Registered Shareholders with voting rights, who also represent at least 20% of the share capital subscribed and paid up on the ninetieth day prior to that of the Shareholder's Meeting is required, even in a second call of a Shareholders' Meeting, for the approval of resolutions concerning the repeal or amendment of article 45, paragraph six, article 48, paragraph six and article 49, paragraphs six, seven and eight of these Articles of Association and also of this clause itself and the quorum for passing resolutions contained in it.

28.5.- For resolutions to be passed upon request of the Banking Supervisory Authority in relation to amendments to legal regulations, both ordinary and extraordinary shareholders' meetings shall pass resolutions by an absolute majority vote. In these cases, the provisions of article 48, paragraph five apply for resolutions for which the Supervisory Board is responsible.

ARTICLE 29

29.1.- Both ordinary and extraordinary Shareholders' Meetings are chaired by the Chairman of the Supervisory Board or, if absent, by the Senior Deputy Chairman of the Supervisory Board or, in the event of absence or impediment, by the Chairman of the Management Board or, in the event of absence or impediment, by the Deputy Chairman of the Management Board and if the latter is absent or impeded, by another person appointed by the meeting itself.

29.2.- The Chairman of the Supervisory Board may in any event always delegate and appoint the Chairman of the Management Board to chair the Shareholders' Meeting and the Chairman of the Management Board shall report that appointment when the proceedings of the meeting commence.

29.3.- The Chairman of General Meetings is responsible for verifying the validity of proxies and in general the right of those present to participate in Shareholders' Meetings, for verifying that the meeting has been properly convened with a proper quorum for resolutions, and also for leading and moderating discussion as well as for deciding the procedures for voting, and for ascertaining the relative results.

29.4.- On the basis of proposals from the Chairman, Shareholders' Meetings shall appoint a Secretary and the scrutineers.

29.5.- In extraordinary Shareholders' Meetings, or when the Chairman deems it appropriate, the functions of the secretary shall be performed by a notary appointed by the Chairman of the meeting.

30.3.- The members of the Management Board shall remain in office for three financial years. Their term of office shall expire on the date of the Supervisory Board meeting convened to approve the financial statements relating to their last year in office. 30.5.- Persons who are ineligible or debarred within the meaning of Art. 2382 of the Italian Civil Code, or who do not satisfy the requirements of integrity, professionalism or any other requirement contained in the relevant legislation and regulations, also with regard to the limits on the accumulation of positions imposed by internal regulations, may not be appointed as members of the Management Board. ARTICLE 31

31.1.- The Chairman of the Management Board and the Deputy Chairman of the Management Board – called upon to perform the functions of chairman if the Chairman is absent or subject to impediment – shall be appointed by the Supervisory Board in accordance with the provisions of article 46.

31.2.- Secretarial functions are delegated by the Management Board to one of its members or even to a senior manager or to another person outside the Bank or the Group.

ARTICLE 32

The term of office of members appointed in this manner shall expire at the same time as that of those in office when they were appointed.

32.2.- If for any reason positions of the majority of the members originally appointed by the Supervisory Board become vacant, then the entire Management Board is considered as removed from office from the date of the appointment of new members. The latter shall remain in office for the remaining term of office that the original Board would have served.

ARTICLE 33

33.1.- Meetings of the Management Board shall be chaired by the Chairman or, in his absence, by the Deputy Chairman. In their absence they shall be chaired by the most senior member by age.

33.2.- The minutes of meetings of the Management Board, taken by the Secretary, are read and submitted for approval to the Board itself in the meeting that immediately follows or, at the very latest, the one after; they are signed by the person who chaired the meeting and by the Secretary.

ARTICLE 34

34.1.- The Management Board shall meet at least once a month, as well as each time the Chairman thinks it fit to call a meeting or when a request is submitted by at least half of the members in office.

34.2.- Meetings are held alternating between the city of Bergamo and the city of Brescia and around once a year in the city of Milan.

34.3.- Without prejudice to the powers to call meetings reserved to the Supervisory Board, meetings are convened by the Chairman with details given, which may be brief, of the agenda and notice of at least 3 (three) days prior to the date set for the meeting, sent by any appropriate means to the domicile of each member, except in urgent cases when notice is reduced to one day. Members of the Supervisory Board must also be notified of meetings in the same way.

34.4.- In order for meetings of the Management Board to be valid - without prejudice to the provisions of article 36 - the presence of more than half the members in office is required.

34.5.- Remote participation in meetings of the Management Board is admissible by means of appropriate audio-video conference and/or teleconference systems on condition that all those with the right may participate and be identified and that they are able to follow the meeting and intervene in the matters dealt with in real time as well as receive, transmit

ARTICLE 35

In addition to the reimbursement of expenses incurred in performing their duties in office, the Members of the Supervisory Board also have the right to remuneration determined by the Supervisory Board in accordance with paragraph one, letter a) of article 46 of these Articles of Association, inclusive of remuneration – again set by the Supervisory Board – for members of the Management Board appointed to particular positions in compliance with these Articles of Association.

44.11.- In addition to the reimbursement of expenses incurred in performing their duties in office, the Members of the Supervisory Board also have the right to remuneration determined for the entire period of office in accordance with these Articles of Association.

This allocation shall, amongst other things, take account of participation in committees created by the Supervisory Board itself and any possible allocation of Supervisory Body functions pursuant to Legislative Decree No 231/2001.

ARTICLE 45

45.1.- Members of the Supervisory Board shall be elected by a Shareholders' Meeting on the basis of lists, which may be submitted by the Registered Shareholders and by the Supervisory Board, in accordance with the procedures set forth below.

45.2.- The lists of candidates, signed by those submitting them, must be deposited at the registered offices of the Bank by the twentyfifth day prior to the Shareholders' Meeting in first call and they must contain the names of at least two candidates and also, where they are composed of at least three candidates, comply with the gender proportions established by Law No. 120 of 12th July 2011 in order to ensure that a balance is maintained between them within the Supervisory Board. Submission of the lists may be performed by remote means of communication defined by the Management Board in a manner, stated in the notice to convene, which allows those depositing the lists to be identified. The signature of each Registered Shareholder submitting a list must be duly authenticated in accordance with the law by employees of either the Bank or its subsidiaries specifically authorised by the Management Board.

45.3.- The lists must also be accompanied by information concerning the identity of the Registered Shareholders who have submitted them, with details of the number of shares and therefore the total percentage of the shares held by the Registered Shareholders submitting them and, within the time limits set by the legislation and regulations in force, by a communication which demonstrates ownership of the investment, as well as all other information required by the regulations in force.

45.4.- Exhaustive information must be deposited together with each list on the personal and professional characteristics of the candidates as well as a declaration by the candidates themselves stating that they are in possession of the requirements specified by the law and by regulatory and Articles of Association provisions and also that they accept their candidature.

45.5.- In cases where only one list has been presented within the time limit mentioned in paragraph two, or in any event in the cases provided for by the regulations in force, the Bank reports this immediately with a press release sent to at least two press agencies. In this case lists may be submitted up until the fifth day following the date of the time limit cited. Again in this case the limits laid down in the subsequent paragraph are reduced by half.

45.6.- The election of the members of the Supervisory Board shall take place on the basis of lists submitted:

a) directly by at least 500 (fivehundred) Registered Shareholders who have the right to participate in and vote in the Shareholders' Meeting called to elect the Supervisory Board, who provide documentary evidence of the right according to the legislation in force and who represent at least 0.50% of the share capital, calculated on the basis of the share capital existing 90 (ninety) days prior to the date set for calling the Shareholders' Meeting and to be indicated in the notice given to call the meeting;

b) by collective investment undertakings (UCITS) that hold a total of at least 1% of the share capital and that have the right to participate and vote in the Shareholders' Meeting called to elect the Supervisory Board and document that right according to the legislation and regulations in force;

c) by the outgoing Supervisory Board on the basis of a proposal made by the Appointments Committee and with the approval of the Supervisory Board passed with the votes of at least two thirds of its members, and in any case supported as reported in the preceding letter a) by at least 500 (fivehundred) Registered Shareholders who have the right to participate in and vote in the Shareholders' Meeting called to elect the Supervisory Board, who provide documentary evidence of the right according to the legislation in force and who represent at least 0.50% of the share capital, calculated on the basis of the share capital existing 90 (ninety) days before the date set for calling the Shareholders' Meeting and to be indicated in the notice given to call the meeting.

45.7.- Each Registered Shareholder may participate in the presentation of one list only: if this rule is not observed, the Registered Shareholder's signature is not counted as valid for any list.

45.8.- Each candidate may be included in one list only on pain of ineligibility.

45.9.- Lists submitted that fail to observe the procedures reported above are considered as not submitted.

45.10.- Each Registered Shareholder may vote for one list only.

45.11.- The election of the Supervisory Board is performed as follows:

- a) if one or more lists are submitted, the first two which received the greatest number of votes cast by the Registered Shareholders and which are not connected within the meaning of the regulations in force are considered;
- b.1) if the list which received the second greatest number of votes received less than 15% of votes cast in the Shareholders' Meeting, then 12 members of the Supervisory Board are taken from the list that obtained the majority of the votes and one member of the Supervisory Board is taken from the list which received the second greatest number of votes;
- b.2) if the list which received the second greatest number of votes, received at least 15% and less than 30% of the votes cast in the Shareholders' Meeting, then 11 members of the Supervisory Board shall be taken from the list which received the majority of the votes and two members of the Supervisory Board shall be taken from the list which received the second greatest number of votes;
- b.3) if the list which received the second greatest number of votes received at least 30% of the votes cast in the Shareholders' Meeting, then the ten members of the Supervisory Board shall be taken from the list which received the majority of the votes and three members of the Supervisory Board shall be taken from the list which received the second greatest number votes;
- c) if none of the two lists specified in letter a) were voted for by Registered Shareholders who represent at least 10% of the share capital in the Shareholders' Meeting then the procedure to be employed is as follows:
 - c.1) if the conditions specified in the previous clause b.1) occur, then an additional four members of the Supervisory Board shall be taken from the list which received the majority of votes cast by the Registered Shareholders in consecutive order in which they are written on the list which will bring the total number of Board Members taken from that list up to 16;
 - c.2) if the conditions specified in the previous clause b.2) occur, then an additional four members of the Supervisory Board shall be taken from the list which received the majority of the votes cast by the Registered Shareholders in the consecutive order in which they are written on the list which will bring the total number of Board Members taken from that list up to 15;
 - c.3) if the conditions specified in the previous clause b.3) occur, then an additional three members of the Supervisory Board shall be taken from the list which received the majority of votes cast by the Registered Shareholders in consecutive order in which they are written on the list which will bring the total number of members of Board Members taken from that list up to 13, while one additional member of the Supervisory Board shall be taken from the list which received the second greatest number of votes, which will bring the total number of Board Members taken from that list up to 4;
- d) If at least one or both the lists specified in letter a) was or were voted for by Registered Shareholders who represent at least 10% of the share capital, then the procedure to be employed is as follows:
 - d.1) if the list that exceeded 10% was the list which received the majority of the votes cast in the Shareholders' Meeting and that is – if both the lists exceeded 10% of the share capital – that list received the highest percentage, if the conditions specified in the previous clauses b.1), b.2) and b.3) occurred, an additional four Board Members shall be assigned, bringing the total number of Board Members taken from the majority list up to 16, 15 or 14 respectively;
 - d.2) if the list that exceeded 10% of the share capital was the list which received the second greatest number of votes cast in the Shareholders' Meeting and that is – if both the lists exceeded 10% of the share capital – that list received the highest percentage, additional Board Members shall be assigned to that list bringing the total number of Board Members taken from that list up to five.

45.12.- If, after identifying the candidates to be taken from the lists which received the majority of the votes on the basis of the order in which they are indicated on the lists to which they belong, the gender proportions required under Law No. 120 of 12th July 2011 are not complied with, then those members of the Supervisory Board taken last from the aforementioned lists whose appointment would violate the said law are considered not elected. In this event the number of those board members indicated on the same list to which they belong shall be appointed which allows compliance

with the composition requirements for the Supervisory Board in accordance with Law No. 120 of 12th July 2011 and with the Articles of Association, again proceeding in the order in which those persons are indicated on the list to which they belong. In particular, in this circumstance, the candidates to be appointed belonging to the gender that is less represented on the basis of the results of the vote will be taken from each list in proportion to the total number of candidates elected on each list according to the results of the voting. In this event, if the minority list pursuant to letter c) has not complied with the gender proportions established by Law No. 120 of 12th July 2011, the candidates to be appointed belonging to the less represented gender will be taken from the list that obtained the greatest number of votes only.

45.13.- If only one list is validly proposed and this obtained the majority required for an ordinary Shareholders' Meeting, then all 17 members of the Supervisory Board shall be taken from that list.

45.14.- The Shareholders' Meeting shall proceed by a relative majority vote to appoint those members of the Supervisory Board, who for any reason whatsoever could not be elected by means of the procedures mentioned in the preceding paragraphs or if no list at all is submitted, again in compliance with the requirements for the composition of the Supervisory Board pursuant to Law No. 120 of 12th July 2011 and to the Articles of Association; in the event of a tied vote the candidate more senior by age is elected.

45.15.- If two or more lists obtain an equal number of votes, those lists must be voted on again until they no longer receive an equal number of votes.

45.16.- The positions of Chairman and Senior Deputy Chairman of the Board are reserved to the first and second members respectively on the list that obtains a majority of votes, or on the only list presented or to the members appointed as such by the Shareholders' Meeting if no list is presented at all.

45.17.- If, during the course of the financial year, the Board lacks one or more members, where it is a case of replacing members elected in the majority list, the first candidate not elected on that list shall be appointed who guarantees compliance with the requirements for the composition of the Supervisory Board provided for by Law No. 120 of 12th July 2011 and the Articles of Association. In the absence of such a candidate, the appointment shall be by a relative majority vote with no list obligation, since the Supervisory Board itself may present candidates, if necessary, on the basis of proposals from the Appointments Committee.

45.18.- If the positions of Chairman of the Supervisory Board and/or the Senior Deputy Chairman of the Supervisory Board should become vacant, an Ordinary Shareholders' Meeting should proceed without delay to restore the membership of the board and to appoint a Chairman and/or a Senior Deputy Chairman not by using in this case the replacement procedure just mentioned, since the Supervisory Board may present candidates itself for this purpose on the basis of proposals made by the Appointments Committee.

45.19.- If, however, Board Members belonging to the minority list must be replaced the following procedure is employed:

- if only one Board Member has been appointed from the minority list, then the first candidate not elected on the list from which the member to be replaced was drawn shall be appointed, or, in the absence of such a candidate, the first candidate on any other minority lists there may be shall be taken on the basis of the number of votes received in descending order. Should this not be possible or, if application of the above criterion means that the requirements for the composition of the Supervisory Board pursuant to Law No. 120 of 12th July 2011 and the Articles of Association are not met, then the Shareholders' Meeting shall make the replacement in compliance with the principle of the necessary representation of minorities;
- if further Board Members have been elected from the minority list, the relative replacements shall be taken from the list from which the members to be replaced were drawn or in the absence of such a candidate from any other minority lists there may be, identified on the basis of the number of votes received in descending order and which have received the majorities in the Shareholders' Meeting specified in paragraph 11 of this article. In the absence of such candidates, the Board Members shall be drawn from the majority list or in the absence again of such candidates, or, if application of the above criterion means that the requirements for the composition of the Supervisory board pursuant to Law No. 120 of 12th July 2011 and the Articles of Association are not met, the Shareholders' Meeting shall proceed to decide by relative majority vote;

45.20.- The replacement candidates, identified in accordance with the provisions of this article, must confirm that they accept their appointment and also make declarations that no cause for ineligibility and incompatibility exists and that

they possess the requirements prescribed by law and by these Articles of Association for the office.

45.21.- A member of the Supervisory Board called upon to replace a previous member remains in office until the original mandate of the replaced member expires.
