“Implementation in Italy of the Savings Directive

*Italy originally implemented the Savings Directive through Legislative Decree No. 84 of 18 April 2005 (“**Decree No. 84**”). Under Decree No. 84, subject to a number of important conditions being met, for interest paid from 1 July 2005 to individuals qualifying as beneficial owners of the interest payment and resident for tax purposes in another Member State, Italian qualified paying agents had to report to the Italian Tax Authorities details of the relevant payments and personal information on the individual beneficial owner and had to not apply the withholding tax. Such information were transmitted by the Italian Tax Authorities to the competent foreign tax Authorities of the State of residence of the beneficial owner.*

With Law No. 114 of 9 July 2015, the Italian Parliament delegated the Government to implement Council Directive 2014/107/EU into domestic legislation (Council Directive 2011/16/EU has already been implemented in Italy through Legislative Decree No. 29 of 4 March 2014). The Minister of Economy and Finance issued the Decree of 28 December 2015 (published in the Official Gazette No. 303 of 31 December 2015) to implement Directive 2014/107/EU.

Finally, Decree No. 84 has been repealed with effect from 1 January 2016 by Article 28 of Law No. 122 of 7 July 2016, in order to implement the Council Directive 2015/2060/EU. Transitional rules have been introduced to deal with certain obligations arising from the previous legislation.”
